

FLAG CONSTRUCTION GUIDE

STANDARD FLAG

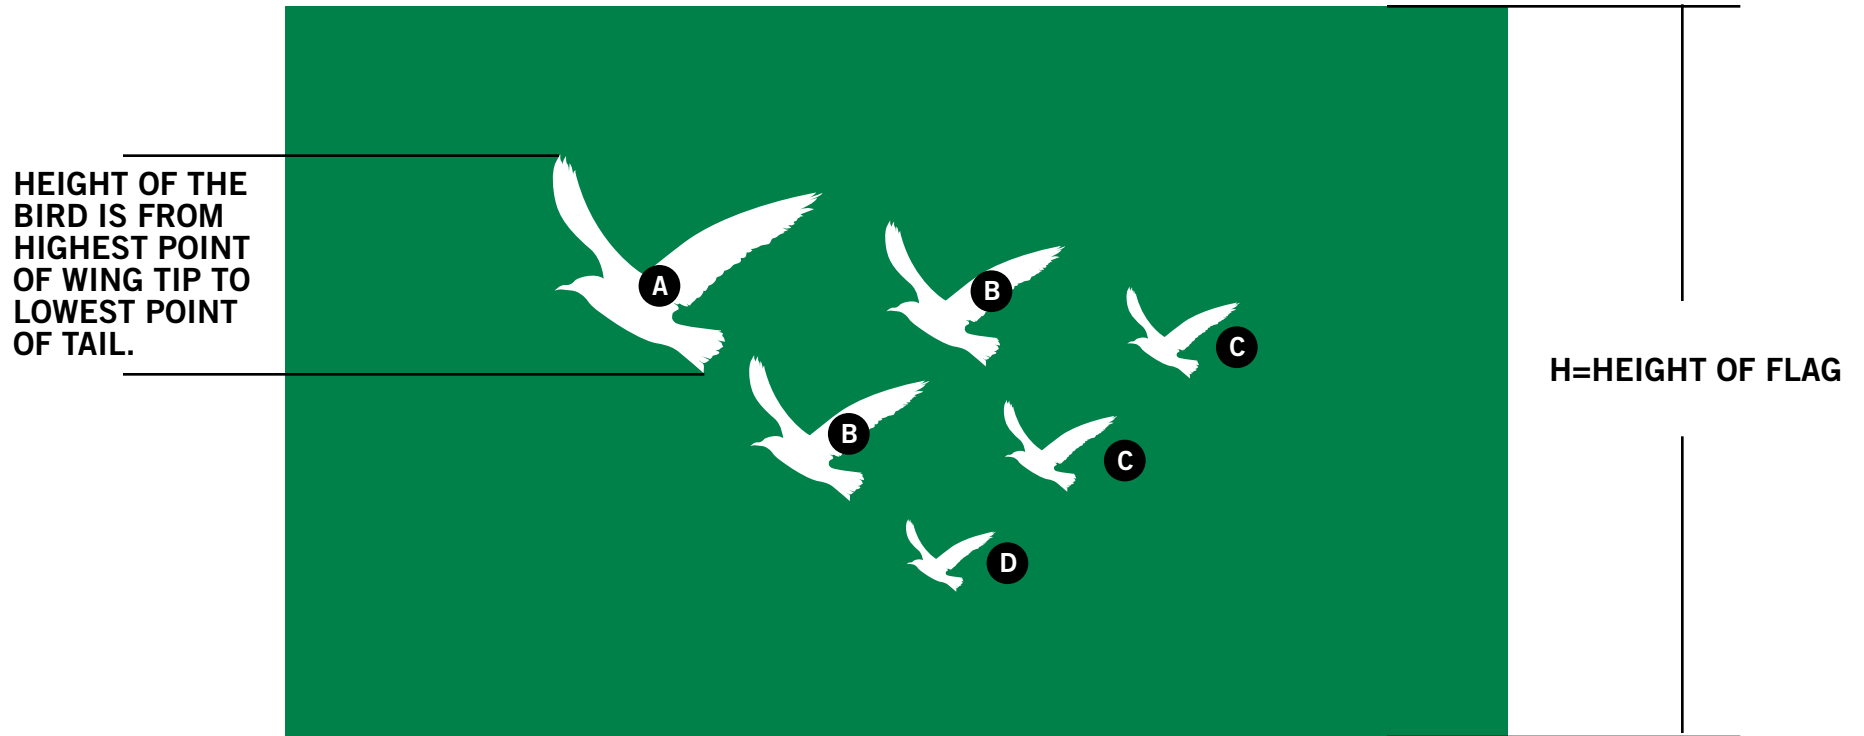

Shown here is the standard 3x5 proportion for the BUKLOD Flag. Six birds (FLOCK) flying in formation are centered on the flag.

SILHOUETTE GUIDE

Above is the official silhouette of the bird used in the BUKLOD Flag. The integrity of this shape shall be maintained in all reproductions.

PROPORTIONS

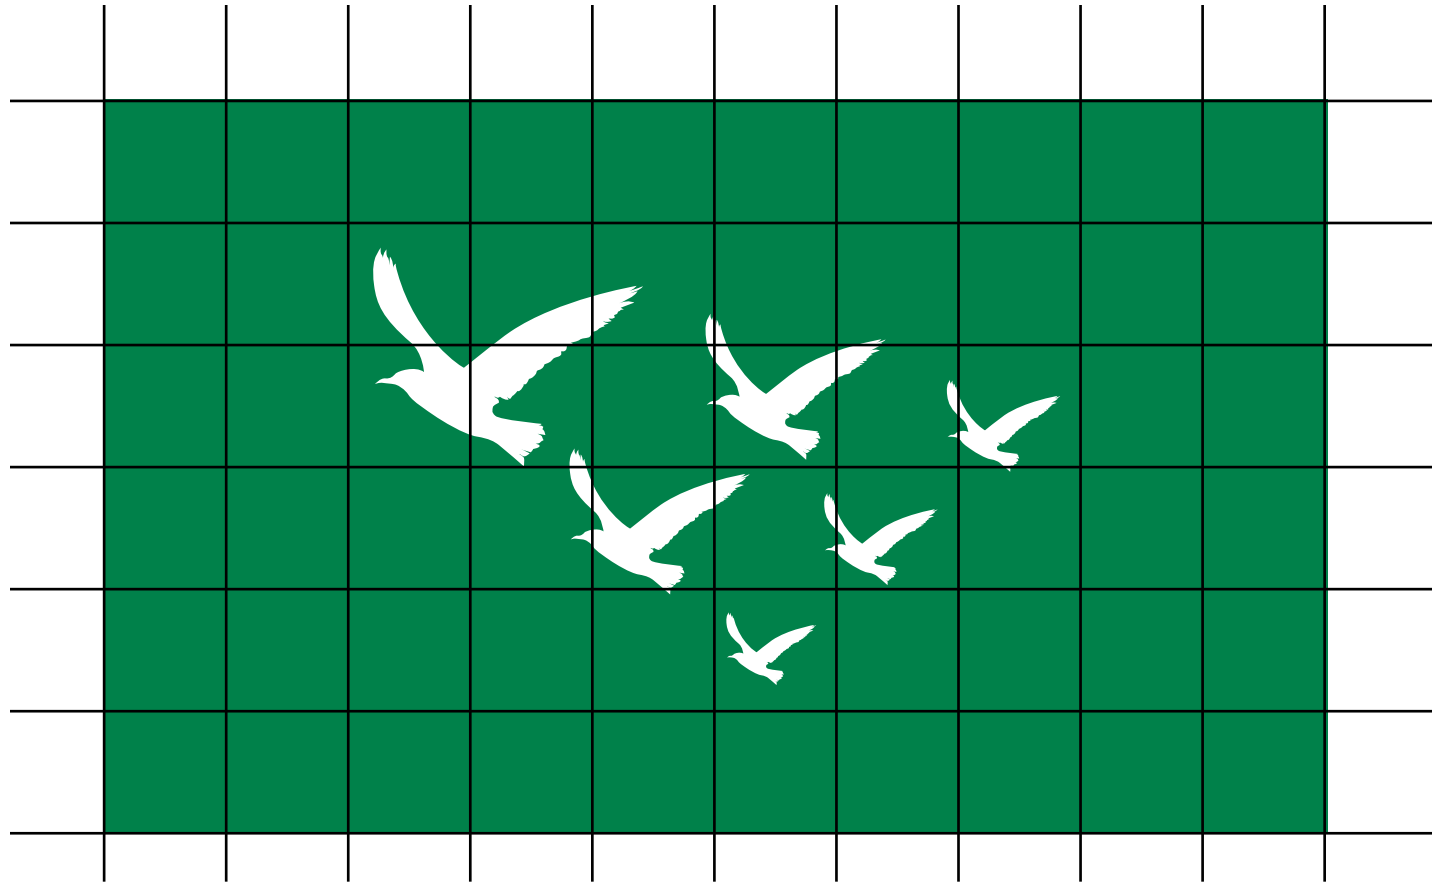

Four different sizes of the birds are used to form the FLOCK. The size relation of the height of the birds to the height of the flag are as follows:

- A** 30% of H
- B** 20% of H
- C** 12.5% of H
- E** 10% of H

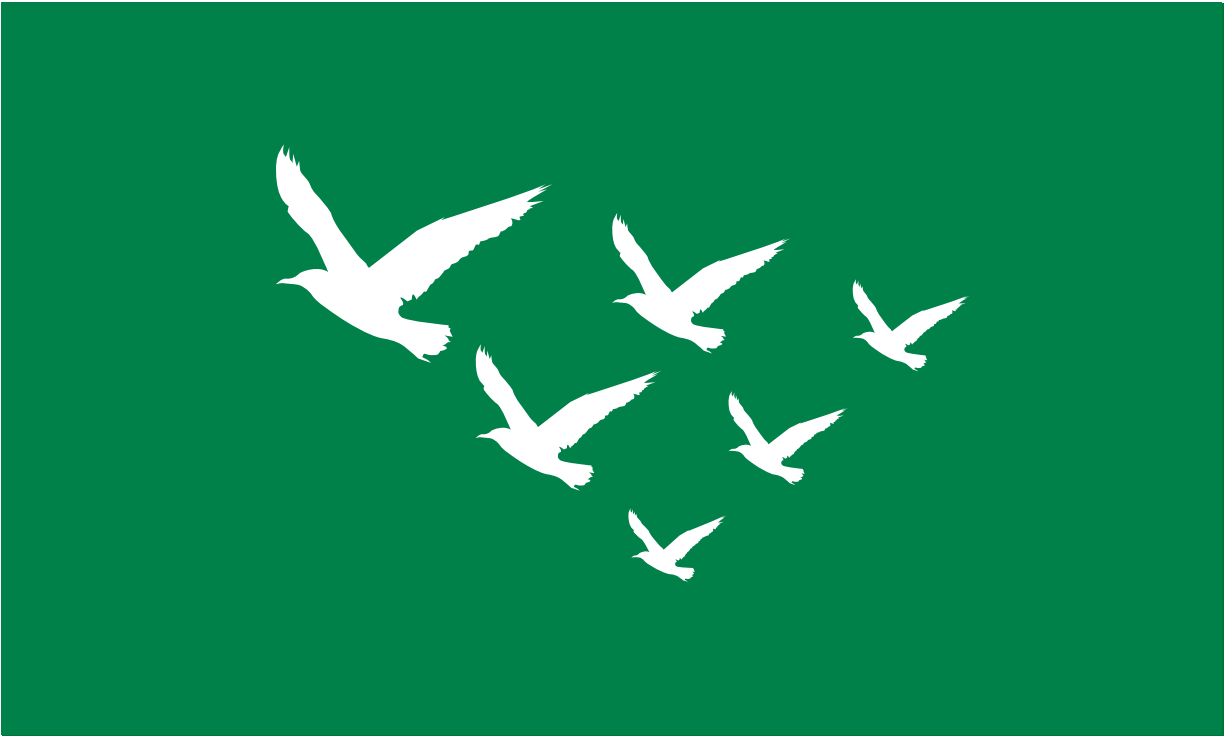

WHERE "H" IS THE HEIGHT OF THE FLAG.

CONSTRUCTION GRID

Use the grid above to position the FLOCK in the flag.

COLORS

The standard flag has the FLOCK in reverse on a green background.
